LACUNZA IH  
SPANISH COURSES

## WHY CHOOSE LACUNZA H?

**60 years of history** and 30 years of teaching Spanish with the **best local teachers** and the top students from our teacher training course ; All our teachers are native and are constantly training to new educational methods.

Since **1989**, we have helped more than **25 000 students** from all around the world to improve their Spanish.

A **wide range of courses** - on line and on campus - individual and in mini groups such as General Spanish , Teacher Training Course , DELE preparation exam, business Spanish...

We are very proud to use **International House methodology** focused on the practice and action of using the Spanish language for communication from day one. This model of teaching and learning guarantees the satisfaction and good results of students in all areas of communication.

An **experienced, multilingual, and well-rounded team** that is ready to help and give you a great experience learning Spanish

Many **partners and most prestigious accreditations** from the authorities in the field of teaching a foreign language such as International House, Instituto Cervantes , IALC, FEDELE and much more

Last but not least, we are **passionate about our job and mission** : spreading and sharing languages and cultures all around the world.

## OUR ONLINE COURSES

From March 18<sup>th</sup> we have decided to offer all our **Spanish courses online** following Spanish and Basque Governments' measures. All our current students have been able to keep up with their Spanish classes using our online platform with their teacher and their classmates.

All new students are able to sign up - they can start - according to their level - **every Monday and for how long they want.**

Total beginners' starting dates remain unchanged.

**We'll be able to welcome again physically all our students in San Sebastian as soon as things are getting back to normal.**

### > For all our students :

Our **Head of Studies is available** from his virtual office every Monday Tuesday and Friday from 13.00 to 14.00 for any academic topic

**Free additional tutoring** in mini group every Thursday from 15.00 to 16.00

**1 free virtual cultural or social activity** per week organized by one of our teacher.

### >For our new students :

**Online level test** available on our website

**1 online individual session ( 30 minutes) for free** with our Director of Studies

Possibility of **observing** an online class for free

**10% DISCOUNT** on the next Course in San Sebastián in 2020 or 2021 (discount on Spanish classes amount only, available if the student books a mini group online course or at least 10 private classes online)
